SHARING OUR EVENTS AS A COMMUNITY

Welcome to another edition of Open Events, the free newspaper for all community events in Newtown and the surrounding area.

The issue has grown again this month with so many exciting things to do including during the Easter holiday break. And check out the calendar on the back page for all the regular weekly listings.

This month we are focusing on Newtown's Circular Economy with a contribution from Nick Jessop at Circular Economy Mid Wales and the Waste Not shop. There's some general info about the Circular Economy and then news about our big Easter pop-up event in the Bear Lanes shopping centre.

If you would like your event to be included in the next issue please go to *Open Events Newsletter - Open Newtown* for more details, and for information about how to become a stockist of the paper please drop us an email openenergy@opennewtown.org.uk

Repair Cafes 2026

Fourth Saturday, every month

at the waste not TOWARDS A CIRCULAR ECONOMY Shop

REPAIR CAFE WALES

3-4, Broad St. Newtown, SY16 2LU

~~**January 24th**~~

~~**February 28th**~~

March 28th

Our volunteer Fixperts can repair a range of goods including tools, ceramics, glassware, textiles, furniture, mechanical, and electrical goods etc...

Goods for repair can be booked in from the Monday before until 12.00 on the day.

This is a FREE SERVICE, we just ask customers to pay for any parts needed.

MONTHLY REPAIR CAFÉ

CEMW / Waste Not, will be hosting our usual monthly Repair Café on Saturday March 28th at the Waste No Shop, staffed by our fantastic volunteer Fixperts, items can be brought in on Saturday up to 12pm lunch time.

If you can't make it on the day, you can still submit your item for repair by visiting the shop from Monday 23rd to drop off your item. This service is free except for, any new parts that may be required would be charged at cost, but only after you've agreed to this. The following Repair Café will take place on Saturday 25th April.

We have a fantastic range of pre-loved products for sale at very fair prices at both the Waste Not Shop and The Salvage Shed at the Recycling Centre off Pool Road. Please call in, you are very welcome to browse and don't need an appointment to visit The Salvage Shed.

Nick Jessop

CEMW

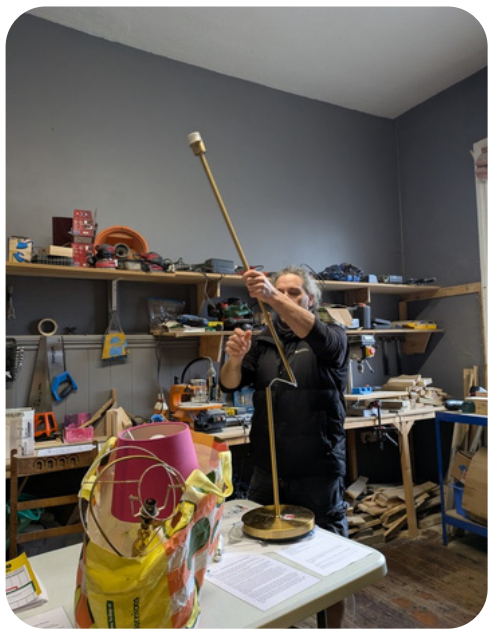

WHAT IS A CIRCULAR ECONOMY?!

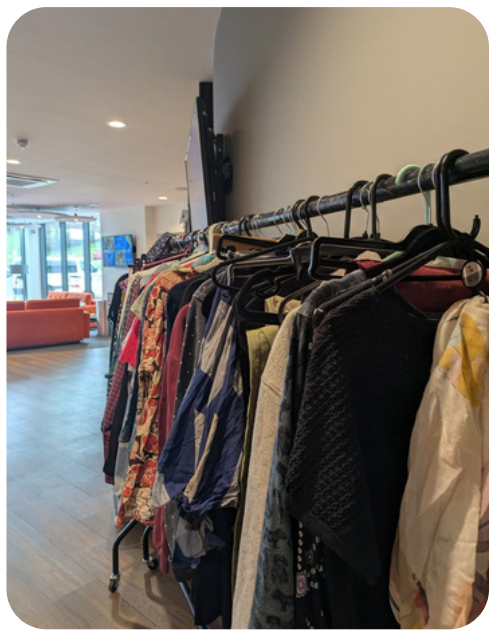

A circular economy aims to minimise waste and reduce pressure on natural resources, reducing the need to extract raw materials from nature and turn them into product. This can be done through smarter product design (for longer use), recycling, repairing, and re-using.

The Open Energy project focuses on repairing and upcycling used items as a way of promoting a circular economy approach in Newtown. One example of this is through Repair Café's, such as those run by both Waste Not and Open Energy, which give old or broken items a new lease of life. This can also be done through Swap Shops where clothes are re-used instead of being sent to landfill.

Over Easter, Open Energy will be running a Pop-Up Swap Shop and Repair Café in Bear Lanes. This will run from Wednesday the 8th- Saturday the 11th of April and is a great way of supporting Newtown's circular economy whilst keeping busy over the Easter Holidays!

NORTH POWYS Wellbeing

We're planning a new Health and Wellbeing Hub in the centre of Newtown.

The proposed hub, located on the site of Y Parc offices, would see a wide range of services under one roof in a modern, purpose-built environment.

Alongside "one stop shop" health and wellbeing services, the plans include new training facilities to recruit and retain health and care staff, expanded community dental services, and new specialist clinics for people with long term conditions which would reduce the need to travel out of the county to a District General Hospital.

Our longer term plans include a replacement for the town's hospital, again in the centre of the town. This second phase would also include bringing more diagnostic services to the town.

You can find out more on our website, Facebook or Instagram.

Maldwyn Harriers Ladies

Helping to Fight Breast Cancer

How many bras does it take to stretch over a mile?

No idea?

Neither do we, but we want to find out!!

Donate your old bras to Maldwyn Harriers (alongside a minimum donation of 50p per item) who will ensure that they are re-used! All the bras will be displayed at Hafan yr Afon, Saturday 25th of April at 10.00am.

In doing so, we are hoping to raise a considerable amount of money for the Against Breast Cancer charity.

Bras and donations can be given to members of Maldwyn Harriers, Sunday Striders, Hafan yr Afon, or Maldwyn Leisure Centre. Final collection= Friday 24th of April 2026.

ENERGY AUDITS

What to expect during your home energy audit?

In partnership with Lightfoot enterprises, and thanks to the support of the National Lottery Community Fund, Open Energy is offering free home energy audits to residents in Newtown, Llanidloes, Welshpool, and surrounding areas.
A home energy audit is an essential first step in identifying areas of improvement in your home. It can help to reduce your carbon footprint, save money, and keep your space warm and comfortable. The process is quick and easy and can be broken down into 4 simple steps:

1. After signing up for audit, Open Energy will be in contact to ask for your gas and electricity consumption figures for the previous 12 months. This allows us to compare your energy use with the national average.

2. We will arrange a convenient time and date to visit your property to complete the audit. The visit takes no longer than one hour and consists of a simple questionnaire. Example questions include whether you have and use extractor fans in your kitchen and bathroom, and whether you use radiator reflector panels….

3. With your permission, we will take photos of the outside of your property and your boiler. We will not require access to any other area of your home apart from a place to sit while completing the audit.

4. After completing an energy survey of your property, we will send you a bespoke, detailed report highlighting where improvements can be made. How you use this information is entirely up to you, there is no obligation to make any changes!

Sign up using the QR code or contact us via phone or e-mail.
