SHARING OUR EVENTS AS A COMMUNITY

Welcome to the July issue of Open Events, the free newspaper for all community events in Newtown and the surrounding area.

This month's issue is all about transport, with a particular focus on sustainable transport in and around Newtown. We are also gearing up for the summer holidays, with plenty of fun events and activities on offer.

As well as the usual selection of event details, we have some additional information from Deb Justice from the Cambrian Railway Partnership about community railway projects. We also have contributions from Neil and Ryan at Transport for Wales who are championing active travel (walking, wheeling and cycling!) in Newtown.

A special mention to the battle of the bands event, which is still waiting on some younger bands to apply (under 18s)!

Don't forget to check out the calendar on the back page for all the details and regular weekly listings!

If you would like your event to be included in the next issue, please go to Open Events Newsletter at www.opennewtown.org.uk for more details, and for information about how to become a stockist of the paper please drop us an email openenergy@opennewtown.org.uk

Hannah Tyler

If you're interested in including your event in the next or forthcoming issues please contact us by email

openenergy@opennewtown.org.uk

WE WANT TO HEAR FROM YOU!

Can you spare just 5 minutes to share your feedback on the Open Events newsletter?

Your thoughts will help us continue improving and developing the newsletter for our community.

Simply scan the QR code below with your smart phone to take part, we'd love to hear from you!

Take part in our reader feedback survey

COMMUNITY RAIL- BRINGING COMMUNITIES TOGETHER

My name is Deb Justice, and I am the Cambrian Railway Partnership Development Officer, hosted by PAVO.

I work along the Cambrian Line, covering 120 miles of railway and 34 stations from Shrewsbury to Aberystwyth and from Machynlleth to Pwllheli.

Community Rail brings people and railways together, supporting projects that promote wellbeing, inclusion, sustainable travel, and stronger communities. I work with local groups, organisations, rail partners, and volunteers to help people get the most from their railway.

Recently, community groups along the Cambrian Line were invited to apply for Railway 200 grants. Successful applicants received up to £500 to deliver projects celebrating rail heritage and community connections.

This was one of the groups in Newtown we worked with. https://www.thecambrianline.co.uk/post/travelling-through-time-with-pryce-jones

To find out more, contact deb.justice@pavo.org.uk or visit www.thecambrianline.co.uk for news and upcoming projects.

TRAFNIDIAETH CYMRU TRANSPORT FOR WALES

HELPING SHAPE A BETTER NEWTOWN FOR WALKING AND CYCLING

Thank you to everyone who completed the recent Walk, Wheel and Cycle survey. Your feedback is helping shape future improvements in Newtown.

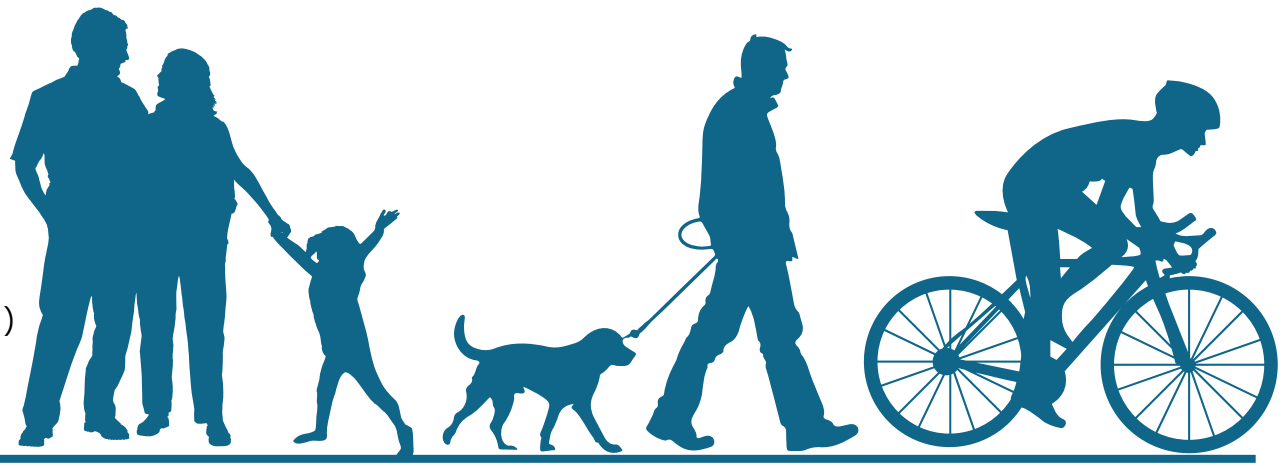

Many people said walking is already part of daily life, giving us a strong foundation to build on. There is also clear support for making cycling and other non-car journeys easier and safer.

You highlighted key improvements such as better lighting, smoother paths, and safer, better-connected routes. Safety, especially on the riverside and canal paths, was a common concern. You also called for better signage, more cycle parking, and improvements to connect existing routes.

We are using this feedback to help prioritise future work so it is easier for everyone to walk, wheel and cycle in Newtown. In response, we have commissioned a wayfinding audit, and are working with Powys County Council on riverside path surfacing. We also have helped reintroduce bike parking on Broad Street and at Hafan yr Afon.

We will gather more feedback in the coming months and continue focusing on the areas where we can make the biggest difference.

ENERGY AUDITS

What to expect during your home energy audit?

In partnership with Lightfoot enterprises, and thanks to the support of the National Lottery Community Fund, Open Energy is offering free home energy audits to residents in Newtown, Llanidloes, Welshpool, and surrounding areas.
A home energy audit is an essential first step in identifying areas of improvement in your home. It can help to reduce your carbon footprint, save money, and keep your space warm and comfortable. The process is quick and easy and can be broken down into 4 simple steps:

1. After signing up for audit, Open Energy will be in contact to ask for your gas and electricity consumption figures for the previous 12 months. This allows us to compare your energy use with the national average.

2. We will arrange a convenient time and date to visit your property to complete the audit. The visit takes no longer than one hour and consists of a simple questionnaire. Example questions include whether you have and use extractor fans in your kitchen and bathroom, and whether you use radiator reflector panels….

3. With your permission, we will take photos of the outside of your property and your boiler. We will not require access to any other area of your home apart from a place to sit while completing the audit.

4. After completing an energy survey of your property, we will send you a bespoke, detailed report highlighting where improvements can be made. How you use this information is entirely up to you, there is no obligation to make any changes!

Sign up using the QR code or contact us via phone or e-mail.

Hosted by Cultivate, this three-year initiative funded by the Lottery Community Fund, operates in Newtown to transform residents from "food consumers" to "active food citizens."

Through sessions, workshops and shared community meals, the project provides local people with the skills, confidence, and resources to grow and cook fresh, nutritious food.

As a volunteer you are invited to join us for a Community lunch from 12.30-1 after each session

Cultivate Community Garden,

Men Shed Newtown

MEN SHED NEWTOWN

POP IN FOR A CHAT

@ Platform 1

Newtown Railway Station

Who we are:

As a registered shed with the UK Men's Shed Association, we began in 2018 supporting men experiencing isolation encouraging connection & engagement, we focus on conversation, creativity, and community, improving wellbeing, reducing loneliness & social isolation.

Our members socialise over light woodworking, while also contributing to the local community through gardening projects, workshops, and events.

At its heart, our shed is about connection, bringing men together in a welcoming space to share skills, experiences, build confidence and friendships.

Sessions:

Tuesdays:
10am - 2pm
Thursdays:
4pm - 6pm

Lathe Sessions:

We are kindly joined by Carno Wood Turners the first Tuesday of the month for learning Lathe skills.
