SHARING OUR EVENTS AS A COMMUNITY

Welcome to the November edition of Open Events newsletter.

Open Events has a new look this month, we've scaled down the size to make our budget stretch further and it's thanks to support from Newtown and Llanllwchaiarn Town Council, PAVO, and Open Newtown that we can continue to publish the newsletter.

As always, this edition of Open Events is full of things to do in and around Newtown this month, the weekly calendar has moved to the middle pages, check there to see what's going on every day of the week.

Please think about leaving us some feedback using the form on the back page, as this will help us to plan future editions and keep improving on how and where you can find it, let us know what you think of the new format!

If you would like your event to be included in the next issue, please go to Open Events Newsletter at www.opennewtown.org.uk for more details, and for information about how to become a stockist of the paper please drop us an email at openevents@opennewtown.org.uk
